

COHORT 7 GRADUATE

Melissa Blazier

Voter Deputy Registrar
Hamilton County, IN

My name is Melissa Blazier, and I am a Voter Deputy Registrar for Hamilton County Election and Voter Registration. I started my new profession on August 5, 2024, during the Presidential election. Working in elections has been my second career. I grew up in Lapel, Indiana and moved to Noblesville after my second son was born. My degree is in nursing, and I worked as a nurse for over 30 years. Due to COVID, I was burned out and felt I needed a change. I was fortunate to be hired to work in Voter Registration. I have learned so much from my new profession and have had the privilege to further my education in the CEATS program. In my free time, I love to bake. I love being with my family and friends and going on a cruise as often as I can.
